

Monetary Economics

By Kettell, Brian

Book Condition: New. Publisher/Verlag: Springer Netherlands | The Banking and Finance Series has been written for students who are preparing for the Associateship of the Institute of Bankers. The structure of the series follows the syllabus closely. Although the emphasis is on the Institute of Bankers' examinations the series is also relevant to students for other professional examinations such as the different Accountancy Bodies, Chartered Secretaries, Diploma in Public Administration, undergraduate business courses, BTEC, BEC, HND, DMS, Stock Exchange courses, Association of Corporate Treasurers, Institute of Freight Forwarders, Institute of Export. Brian Kettell May 1985 Series Editor xi Preface This book has been written for students who are preparing for the Associateship of the Institute of Bankers. The structure of the book follows closely the syllabus for Monetary Economics, but is also relevant for some of the Stage I papers. In addition it is also directly relevant to the Monetary Economics Paper for the Association of Corporate Treasurers. Although the emphasis has been on the Institute of Bankers examination the book covers the monetary economics courses taught in Advanced Level Economics, and is relevant to students for the finals of other professional examinations such as the different Accountancy...
