Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a collection of journalistic observations, book reviews, polemics and speeches dealing with the deterioration of relations between Russia and the West, with particular attention at the confrontation over Ukraine and the onset of the New Cold War. Professional reviewers have written the following about this book: 1. Professor John Mearsheimer, University of Chicago This collection of smart and erudite essays is a welcome antidote to the steady stream of anti-Russian stories that fill the Western media these days. Doctorow, a seasoned expert on Russia, provides an abundance of smart insights about how relations between Russia and the West have deteriorated over the past three years. At the same time, he makes compelling arguments against some of the most popular anti-Putin tropes. One only wishes there were more Doctorows in the public debate on Russia. 2. Charles Bausman, Editor, If you want to cut through the misinformation surrounding Russia, Gil Doctorow is simply one of the best guides out there. His insights are original and important. An invaluable collection. 3. James Carden, contributing writer at The Nation Those trying to make sense of the precipitous decline in US-Russian relations over the past several years could hardly do better than Gilbert Doctorow's *Does Russia Have a Future?* Dr. Doctorow has written a learned, eloquent and, what is more, necessary, corrective to the reigning neoconservative and neoliberal pieties that so distort and undermine understanding between the former Cold War rivals. Doctorow has put a lifetime of learning and first hand experience in Russia into producing an erudite collection that is frequently punctuated with razor sharp asides and droll humor. Caveat emptor: Doctorow does not dim his headlights; but...
