

Mud, Sweat and Beers: A Cultural History of Sport and Alcohol

Filesize: 8.36 MB

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

MUD, SWEAT AND BEERS: A CULTURAL HISTORY OF SPORT AND ALCOHOL

Bloomsbury Publishing PLC, United Kingdom, 2002. Paperback. Book Condition: New. New.. 230 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Short-listed for the North American Society for Sport History Book Award 2003. Alcohol is never far from sporting events. Although popular thinking on the effects of drinking has changed considerably over time, throughout history sport and alcohol have been intimately linked. The Victorians, for example, believed that beer helped to build stamina, whereas today any serious athlete must abstain from the demon drink. Yet despite current prohibitions and the widespread acceptance of alcohols deleterious effects, the uneasy alliance of sport with alcohol remains culturally entrenched. It is common for sporting celebrities to struggle with alcoholism, and teams are often encouraged to bond by drinking together. Indeed, many of todays major sporting sponsors are breweries and manufacturers of alcoholic drinks. From hooliganism to commerce, from advertising and sponsorship to health and fitness, if there is one thing that brings athletes, fans and financial backers together it must be beer. This cultural history of drinking and sport examines the roles masculinity, class and regional identity play in alcohol consumption at a broad range of matches, races, courses and competitions. Offering a fresh perspective on the culture and commerce of sporting events, this book will be essential reading for cultural historians, anthropologists and sociologists, and anyone interested in sport.
