F&W Publications Inc. Paperback. Book Condition: new. BRAND NEW, The Ultimate Situational Survival Guide: Self-Reliance Strategies for a Dangerous World, Robert Richardson, Situational Survival Means Being Ready for Whatever Life Throws At You The most important "tool" in your emergency preparedness kit is a solid mindset cultivated around survival. In order for your instincts and reflexes to keep you alive when life throws an unexpected and dangerous situation your way, you must already be mentally prepared to face a potentially life-threatening challenge. This book will teach you how to do just that. The Ultimate Situational Survival Guide covers: creating home safety plans, dealing with natural disasters, planning for transportation issues, identifying urban threats and dealing with them, financial preparedness, being prepared for terrorist attacks and other man-made disasters, and coping with disease in many of these scenarios. Inside you'll find: \* fresh, real-life approaches to survival in the 21st century- not revised material taken from government websites \* a practical preparedness approach to everyday life including home safety, vehicle preparedness and financial security \* techniques and skills needed to survive criminal and violent attacks along with hostage and active shooter situations These are the kinds of threats you need to start...
