Sensory Parenting from Newborns to Toddlers: Parenting Is Easier When Your Childs Senses Are Happy

By Britt Collins

Sensory Focus LLC. Paperback. Book Condition: New. This item is printed on demand. Paperback. 317 pages. All of us have had a sensory issue at one time or another. Maybe its your neighbors dog barking that bothers you or you cant stand the texture of cottage cheese. Does it make you crazy to have a hat on your head Do you avoid the mall at peak shopping times so you dont have to be around crowds of people These are common things that as adults we adapt to or avoid without giving them a second thought. What about your childrens sensory sensitivities What if you could make parenting easier and more fun by taking your child's senses into consideration Imagine the possibilities because you can! A child's sensory system affects their ability to learn, play, socialize and function. Maybe a child isnt able to sit still in class because his shirt tag is bothering him. Or a child isnt able to play with other children because his balance is off and other kids make him feel unstable and dizzy. Maybe your child isnt just a picky eater it could be that his sensory system needs some special guidance and adjusting....
