paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 292 Publisher: Yellow River Water Conservancy Press Pub. Date :2006-10-1. The book includes: building energy detection. low-voltage electrical detection technology. plumbing pipe detection of three parts. Contents: Editor's first chapter building energy detection technology based knowledge building thermal terminology of Section II Division III building thermal design of the basic principles of heating residential building energy efficiency and energy-saving way to fourth envelope insulation design section V of the thermal conductivity of insulation materials and composite materials. heat transfer coefficient chapter building energy-saving products and materials testing thin plaster section expanded polystyrene board exterior insulation system series II polystyrene particles detected exterior insulation system series III testing of steel wire mesh frame polystyrene sandwich panel cement fourth quarter performance characteristics and use of insulation materials should be noted that the problems in Chapter III of exterior insulation system type weathering test second test section Section III wind pressure shock resistance performance test method of water absorption test method Section V freeze-thaw resistance test method performance test method Section VI Section VII resistance test method does not wipe the surface layer of water permeability test methods VIII protective layer of water vapor penetration resistance test methods Chapter outside the building doors and windows detection technology and detection methods Section II wind pressure tightness testing performance testing Performance Testing Section III watertight insulation of windows chapter building performance testing energy on-site building energy-saving scene detection section detects the general provisions of Section III tests detect second low-voltage electrical detection rules of Chapter VI the basics of low-voltage electrical testing electrician Section II outlines the basis of Chapter VII of the lighting Section II outlines the detection switch test specifications...
