A revolutionary woman for her time, Emily Hahn takes us on an adventure through the many faces that populate the landscape of China. Blending fiction and nonfiction seamlessly, Emily Hahn looks at everything and everyone she met on her breathtaking journey through the China of the 1930s. Hahn investigates not so much the complicated issues of political blocs and party conflict, but the ordinary, or extraordinary, lives of Chinese residents and tourists. The fifth of six children, she was born in St. Louis,...
