Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

UNCOMMON COURTESY: THE BASICS OF GOOD BEHAVIOR FOR A BADLY BEHAVED WORLD

Adams Media Corporation. Paperback. Book Condition: new. BRAND NEW, Uncommon Courtesy: The Basics of Good Behavior for a Badly Behaved World, Jennifer M. Wood, This book is the short slap to the back of the head most people need nowadays. In a world that's more likely to flip the bird than hold the door, it's their reminder of proper behavior. You'll receive a (re-)schooling in manners with lessons split up by situation, then tackled by topic. Each note corrects conduct that's become all too common, like .Bad Behavior: Popping a piece of gum into your mouth midconversation, and stressing your point by snapping it. Courteous Fix: If you're going to have a piece of gum while talking to someone, be sure to offer your companion a piece--and keep your mouth closed as you chew. You want your breath to be fresh. Not your attitude.It's a reminder that it wasn't always out of place to be polite.
