The Striker Jones and the Midnight Archer Teacher's Companion is the companion to the second book of the Striker Jones economics series for kids. As a self-contained economics curriculum for elementary school students, use it to enrich your social studies units and expose your students to economic concepts beyond buying and selling. Organized according to the ten chapters in the book, each lesson explores the economic concepts raised in Striker Jones and the Midnight Archer. The lessons include vocabulary, discussion topics, fun group activities, and individual assignments. Concepts covered include wants vs. needs, supply and demand, entrepreneurship, scarcity, knowledge in decision-making, buying behaviors, substitutes and complements, free vs. planned economies, specialization, tragedy of the commons, black markets, rationing, resources, investment, and standard of living. For additional concepts, see the first book of the series, the Striker Jones Teacher...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
