Mariner Books, United States, 2012. Paperback. Book Condition: New. Reprint. 201 x 135 mm. Language: English . Brand New Book. Margaret Drabble s novels have illuminated the past fifty years, especially the changing lives of women, like no others. Yet her short fiction has its own unique brilliance. Her penetrating evocations of character and place, her wide-ranging curiosity, her sense of irony all are on display here, in stories that explore marriage, female friendships, the English tourist abroad, love affairs with houses, peace demonstrations, gin and tonics, cultural TV programs, in stories that are perceptive, sharp, and funny. With an introduction by the Spanish academic Jose Fernandez that places the stories in the context of her life and her novels, this collection is a wonderful recapitulation of a masterly career.
