

More Fool Me: A Memoir CD

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Penguin UK, 2014. Audio Visual. Book Condition: New. 1. 0 x 0 cm. In his early thirties, Stephen Fry - writer, comedian, star of stage and screen - had, as they say, 'made it'. What could possibly go wrong? As the 80s drew to a close, he discovered a most enjoyable way to burn the candle at both ends, and took to excess like a duck to breadcrumbs. Writing and recording by day, and haunting a never ending series of celebrity parties, drinking dens, and poker games by night, he fooled all those except the very closest to him. He was - to all intents and purposes - a high functioning addict - he was so busy, so distracted by the high life, that he could hardly see the inevitable, headlong tumble that must surely follow . . . Containing raw, electric extracts from his diaries of the time, More Fool Me is a brilliant, eloquent account by a man driven to create and to entertain - revealing a side to him he has long kept hidden. 'Oh dear I am an arse. I expect there'll be what I believe is called an 'intervention' soon. I keep picturing it. All my friends bearing down on me and me denying everything until my pockets are emptied. Oh the shame.' Audio Visual.
