Summary: Many years ago, while a child in the magical Region of Calabria, in Southern Italy, I found an ancient coin. Decades later, I sought, and finally found its amazing origins. The investigation for my coin's origins was paralleled by an in-depth search for my ancient Calabrian roots. What I found was a mesmerizing history of horrifying natural catastrophes, invasions by both brutal and civilizing peoples, and other enthralling events that will leave the reader enlightened and amazed. THE COIN FROM CALABRIA is especially relevant to all the millions around the world who find their roots in the beautiful land of Calabria who crave to know about their ancient origins.
