Reviews

Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger wrote this book.
(Hudson Christiansen)

THE MOON IS DOWN: PLAY IN TWO PARTS

Penguin Books, United States, 2009. Paperback. Book Condition: New. 190 x 130 mm. Language: English . Brand New Book. Occupied by enemy troops, a small, peaceable town comes face-to-face with evil imposed from the outside and betrayal born within the close-knit community In this masterful tale set in Norway during World War II, Steinbeck explores the effects of invasion on both the conquered and the conquerors. As he delves into the emotions of the German commander and the Norwegian traitor, and depicts the spirited patriotism of the Norwegian underground, Steinbeck uncovers profound, often unsettling truths about war and about human nature. Nobel Prize winner John Steinbeck s self-described celebration of the durability of democracy had an extraordinary impact as Allied propaganda in Nazi-occupied Europe. Despite Axis efforts to suppress it (in Fascist Italy, mere possession of the book was punishable by death), *The Moon is Down* was secretly translated into French, Norwegian, Danish, Dutch, Swedish, German, Italian and Russian; hundreds of thousands of copies circulated throughout Europe, making it by far the most popular piece of propaganda under the occupation. Few literary works of our time have demonstrated so triumphantly the power of ideas in the face of cold steel and brute force. This edition features an introduction by Donald V. Coers. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
