I offered to speak to you on the Meaning of a University, but it is no part of my purpose to spend time on the definition of familiar terms, or to attempt to extract surprising lessons from the etymology of a word that is in daily use. My interest in the subject is of another kind. By the accidents of life I have had to do with many Universities in many places; in London, where they examine without misgiving or remorse; in India, where the University of London found a congenial soil for multiplying all its worst vices; at Oxford and Cambridge, where Time and old Custom and the delights of communal life have hallowed even the frailties of these ancient institutions, so that their very faults have something pleasant and respectable about them; in Scotland, where the Universities are truly national, and prepare the chosen youth of the nation for work in the learned professions; last, and not least significant, in the newer provincial Universities of England, Manchester and Liverpool, where the activities of a University have been recognized as essential to a full-grown municipal civilization. With all these I have had to do, and I should be very dull and incurious if I had never troubled myself to ask what purposes they have in common, and what is the...
