Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 3rd Revised edition. 256 x 178 mm. Language: English . Brand New Book. This best-selling text integrates the latest research and cutting-edge practice to make an evidence-based case for family policy. It uses examples from around the globe to explain how families support society and how policies support families. The book also moves beyond analysis to action with pragmatic processes and procedures for improving the effectiveness and efficiency of policies by viewing them through the lens of family impact. Highlights of the new edition include: * Extensive revisions with many new references and policies that reflect recent changes in the economy, politics, and family forms and families. * Many new learning tools including guiding questions, more tables and figures, chapter glossaries, discussion questions, and chapter summaries. * Enhanced global perspective with a new chapter (5) that features what policies nations have put in place to strengthen and support families. * A new chapter (8) that views how family considerations can improve the effectiveness of policy decisions on issues such as early childhood care and education, health care, juvenile crime, long-term care, parent education, and welfare reform. * A new chapter (11) on what the policy process and policymakers are really like including how a bill becomes a law. * A new chapter (12) that provides a theoretical and empirical rationale for viewing issues through the family impact lens and what innovative tools and procedures exist for analyzing the family impact of organizations, policies, programs, and practices. * Several chapters that review what professionals can do in the policy arena and how they can foster compromise and common ground. * Updated web-based teaching materials including sample syllabi, classroom activities and assignments, daily lesson plans, test questions, instructor insights, video links, web...
