Brand New Book ***** Print on Demand *****.This book discusses economic conditions which have been causes of industrial unrest, different schemes, such as profit sharing, payment by results, etc., for combating the radical tendencies of the times. * * * * From the Introductory. Whoever contributes to clear thinking and wise direction at this critical period in the history of our country renders signal service to his fellow-citizens. Far-flung and devastating war has ensued in tremendous and universal upheaval. Dynasties are crashed down; systems of government are daily challenged, and the many are questioning the destinies of the human race. Having been acquainted since boyhood with the writer of this book, I know him to be a bold and independent thinker, endowed with a considerable gift of literary expression. While preserving a close friendship, we have differed in thought and action, which is but to say that we possess a mutual regard for individuality. Over and beyond this we unite in love of our country, in faith in our race, in hatred of wrong and injustice, and in desire that the world may be better...
