

Photoshop Tutorials: A Look at Our Course

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).
(Robyn Nolan)

PHOTOSHOP TUTORIALS: A LOOK AT OUR COURSE

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.All source images for the tutorials are supplied to you so you ll be able to do exactly what I did. The tutorials were all done using Photoshop CS5 so CS5 or a newer version is recommended. You can get a lot done with CS3/CS4 also. If you want to try out a more recent version, Adobe offers a Free 30-day trial. Note that if you have Photoshop Elements, you can certainly learn a lot with my tutorials but know that most of the color grading I do is done with options not available in Elements.
