By Ronald M Lanner

Mountain Press Publishing Company. Paperback / softback.
Book Condition: new. BRAND NEW, The Bristlecone Book: A Natural History of the World's Oldest Trees, Ronald M Lanner, High among the cold, windswept peaks of America's mountain West, strange and beautiful trees grow old but never age. The Bristlecone Book: A Natural History of the World's Oldest Trees brings together for the first time the captivating facts about bristlecone and foxtail pines--trees that thrive in a harsh environment and live thousands of years--with a special focus on Great Basin bristlecone pine, the oldest tree species on earth. In this extraordinary journey into the world of bristlecones, author Ronald Lanner exposes the trees' inner workings, taking apart a pine to examine bark, buds, needles, cones, roots, and wood. He follows a tree's lifespan from seedling to great old age, presenting a new interpretation of stages of growth. He explains the unusual colors and forms that make bristlecones so picturesque, describes how the forces of nature influence the trees' unique shapes, and reveals their secrets of long life. Readers will discover where to go to see these trees and how to identify them. A stunning pageant of color photos shows off bristlecones and their...
