She pays the bills by fighting in an organized fighting league. Accused of murder, Anabel is brought into the NYPD and with her history is deemed suspect #1 in the murder of Isiah Johnson. A young detective is irked deeply by this woman. He gets a strong sense that even though she s psychotic she didn t kill her boyfriend. It gets harder to prove her innocence when there s no other suspects and she doesn t show the slightest sign of grief from losing her beloved. Dr. Priscilla Wright has one objective: get the truth out of Miss Price. Anabel Price is a skilled manipulator and the NYPD find that when they think they have got her cracked, the whole story changes. In this tale, we find that sometimes lies can become the truth as long as everyone believes it.
