Nevertheless, I flatter myself that it will answer much of its intended purposes. These purposes are, mainly, 1. To arrange the Materia Medica upon intelligible, physiological, and therapeutical principles. 2. To indicate the relative therapeutic value of the various articles, under their different denominations, by arranging them in the order of their value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
