Reviews

This ebook is wonderful. It really is writter in simple words and phrases rather than difficult to understand. Your daily life span will be change the instant you complete looking at this pdf. (Kale Bayer)

BROKEN CHINA

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Broken China, Lori Aurelia Williams, This work talks about a teen mother with a difficult choice to make. China Cup Cameron might miss school or fall asleep in class sometimes, but she's trying hard to be a good mother to Amina, her two-year-old daughter. When tragedy befalls the small family, China must quit school and work full-time to make ends meet. But the only place in town that's willing to hire a fourteen-year-old high school dropout is Obsidian Queens, a strip club, and China is forced to make some difficult and potentially self-destructive decisions. The author of "When Kambia Elaine Flew in From Neptune" creates a window into the all-too-real world of a teen mother faced with unthinkable choices.
